

## DVD Design Brief

Please review the DVD Midterm Assignment before writing your brief. For the design brief, please include at least one paragraph covering the following:

- Topic of the DVD project. It can be a movie, a band, a TV show, a corporate promotion, or a portfolio presentation.
- Content - what will you include? Is there one long video or a group of several? What kind of additional features will you include?
- Where will you get the content?
- General Design Ideas - how will it look?
- The design brief should be submitted in either MSWord, .pdf, or .html format to the folder indicated by your instructor at the beginning of the week 2 class session.

## DVD Storyboard

- Storyboard graphic is exported from DVD Studio Pro Graphical tab window
- Shows all menus and tracks on DVD
- Shows all links between menus and tracks
- Indicates any slideshow components
- Indicates any story components
- All menus and tracks properly labeled

Design Brief and Storyboard Assignments are due at the beginning of class week 3.
